

Master Craftsmen and Women

We would like to warmly thank our sponsor Mrs Claudette Ocelli, Felibrige Majorale, Assessor of Provence and Provençal language teacher. It's thanks to her that Terre de Provence exists in the first place. Also, a big thank you to our other sponsor Pascal Michalon, well-known designer, famous for his tailor-made work round the world.

THANKS TO THEM

PASCAL MICHALON - Interior Designer

With us since 2013, he designed, drew then tailor-made the whole furniture. He maximised the "open" rooms space in every single detail; from the wardrobe to the head-bed to the mid-height screens that widen perspectives.

The Frédéric Mistral lounge, the reception area and the restaurant L'Olivier owe him their warm and unique ambiance, as well as this extra-special something.

SERGE BARADIAN - Skilled Metalworker

Qualified craftsman, he steps in in all the arty metal work. He creates stylish hand-guard, patio doors and glass roofs and designed as our emblem a 300-meter railing ornamented with countless roses.

SERGE DUCKIT - Light Designer

Passionate about architecture, Serge has been immersed in the world of light since 1987. Idealist to the core, he sees no limit to his creativity. He surrounds himself with the most talented and unearths sparkling nuggets that align esthetic, technology and safety from an ecological and responsible approach.

EMMANUEL FOUQUE - "Santon" Figurine maker

This family business is a provençal institution of passion for the earth passed down from 4 generations. The "santon" figurines are hand-crafted in Provence from local clay. This original craftsmanship done in the pure tradition has been awarded with the Living Patrimony Label. We would like to thank Emmanuel Fouque for having agreed to create for us a 70cm

santon representing Frédéric Mistral, glorifying his grandfather who had succeeded this feat before him.

MARCEL BRACQ - Stained-glass artist

The glass-maker Marcel Bracq designs and creates unique pieces. If asked about the work he's the proudest of, Michel Bracq, without any hesitations, names the stained-glass work he did for our hotel "It's the best work of my life". A 4-sqm piece that represents "Vincent and Mireille".

XAVIER FERRAND - Photographer

Passionate about extreme sports and photography, he is THE in-house Photographer. Over the seasons, he wonderfully captures the ambience and produces realistic and true images.

DAVID MAHÉ - Sauna Creator

A recognized artist and specialist in the creation and installation of traditional saunas from Finland, David Mahé is an enthusiast who crosses all over Finland to source his wood and create the marvels in our hotel !

CHRISTOPHE POUILLE - Well-being space Creator

Craftsmen of father and son in Béziers, the Pouille family creates and installs wooden well-being spaces for individuals and professionals. In collaboration with their carpenter, they create personalized prototypes for unique projects. "Thanks Mr and Mrs Bégel for letting us create with confidence. This prototype is now our benchmark project for future luxury hotels".

YVES MESTRE - Landscaper

Fourth Generation Landscaper established in Avignon. Since 2002, he has been creating our green spaces while using exclusively local plant species. He knew how to create an authentic provençal oasis in the heart of Le Pontet's business district.

MICHEL LACOSTE - Water Processing

We owe him the installation of our lap pool and jacuzzi's filtration and the treatment of the water. He comes in once or twice a week to maintain the temperature of this pool so that it keeps a constant 28° and 37° for the jacuzzi. He ensures, in collaboration with an approved laboratory, that all hygienic standards are kept.

NICOLE ORSINI - Painter

Nicole Orsini is the artist who created the ensemble of the frescos in the house. "From the moment I could hold a pencil, I've always had the drive to draw and then paint. I love having the opportunity to create, restore or to teach and share the happiness in my work".

MAISON DE CASCAVEL - Wine producer

Wine producers for 20 years, Xavier, Lilian and Didier have brought us their expertise and attentiveness in order to offer us a meticulously-sourced selection of organic and local wines, nuggets from southern France from the Rhône region to Provence.

BERNARD FAUCON - Earthenware of Apt

From the grand dynasty of the Bernard Family up to the arrival of Francis Faucon and his grandchildren who carry on the earthenware history of Apt, to the magnificent meeting today with these inspired and inspiring artists; we are honoured to be able to pass down in our own way, a little bit of the history of the marbled earth to the colored clays.

GAËLLE LAMAIGNÈRE - Digital Print

It is thanks to her that you are informed and directed. Her small signs accompany and improve the flow of progression and information at the heart of the hotel.

Our partners

MAXIME ROCCI - Electrician

Local craftsman, "Max" has done a remarkable job of taking over all the former electric installations dating back to 1988. Today, he is in charge of electric maintenance. Loyal and present at our side for many years now, he demonstrates an incredible level of professionalism.

ARTMATIC - Automations

Artmatic has been proposing video surveillance, securit locks, building safety and automation systems for nearly 20 years. ... Sylvain is our security expert. He codes all the access so that with your room key card, you can access the different facilities in the hotel.

NET QUALITÉ - Maintenance

Deeply rooted in the local economy, we have here another true human connection with Catherine Delleci and the joy of sharing the same values, the same vision. We thank her for the remarkable work her team has done in cleaning the rooms and the surrounding areas of the hotel.

REYNAUD EQUIPEMENT - Food Service Materials

Pascal fitted the bar and the hotel kitchens and has ensured the upkeep for a number of years. Recently, he restyled and equipped the large cabinet in the hotel restaurant.

BLANCHISSERIE LA PROVENÇALE

Listed and known by the big names in the hotel industry, la Blanchisserie Provençale accompanies us each day in cleaning the linens within the rules of the art of hotel treatment.

LA BONNE ETOILE - Communication agency

Vanina Zéau records all of the hotel's information in our "Art de vivre" bible and on our website. She transcribes into words and graphic design everything you need to know and discover about our place.
